Emphasizing strategic thinking and attention to my clients' needs and budget, I leave no stone unturned. I was recently gratified to receive from Martindale-Hubbell its highest rating status of "AV Preeminent 5.0" for evidencing the highest professionalism and honesty.

A legal highlight was helping a client obtain the highest reported trial verdict amount awarded by a jury in New York State in 2008 for a breach of contract case. I specialize in contract negotiation and litigation, employment, wage & discrimination litigation, real estate transactions, and electronic discovery consulting for attorneys and their clients.
