David Craig is the managing partner as well as one of the founding partners of the law firm of Craig, Kelley & Faultless LLC. Since he began practicing law more than 26 years ago, he has been fighting to obtain justice for ordinary people against insurance companies, trucking companies, large corporations and others. He has witnessed first-hand the destruction and devastation that can be caused by the recklessness of others. David cares deeply about his clients and treats them the way he would want to be treated — with honesty, professionalism and direct personal attention.
