One of the tragic realities of the road is that you can do everything right, follow every law, drive according to the book, and still find yourself in an accident caused by another driver's negligence. When this has happened to you, you should speak to Arkansas car accident lawyer Alan LeVar about your case.

Mr. LeVar will discuss your case at a free initial consultation. If you decide to retain our services, our team will use our years of experience in the field to closely investigate your crash and discover its cause.
