The maritime industry is one of the oldest in the United States, likewise the laws governing shipping, fishing, trade, crewmen and the like are an ancient, complex labyrinth of information. Just as there are lawyers for business or divorce, we are maritime lawyers. We have been practicing maritime law for most of our professional lives, and we have the winning record to prove it.

Dennis M. O'Bryan graduated from the University of Michigan in 1975, and from the Detroit College of Law in 1979. He is married with seven children and enjoys motorcycles and playing bass guitar. He is an attorney at law and a Proctor in Admiralty.
