At Kinnaird & Kinnaird, P.C., we have spent decades handling personal injury, bankruptcy and divorce issues, and achieving success for our clients. What makes the legal profession so rewarding is that success is defined in different ways. For our bankruptcy clients, helping them find a fair solution that will either pay off their creditors with a sound financial plan, or eliminate a majority of their debt so that they can start over is a success. For our personal injury clients, success is measured not just by the size of a settlement check, but also by the peace of mind that financial security can bring to a family shattered by an accident or loss. Please contact us today if you need the help of an experienced and compassionate law firm. Call Kinnaird & Kinnaird, P.C. at 719-520-0003.
